Enriching Lives... Celebrating Success

**PROVIDING QUALITY SERVICES
IN ARIZONA**

Helping People Help Themselves

Committed to improving the quality of life for individuals with developmental or physical disabilities by alleviating barriers to their independence and striving to help them reach their full potential.

WHO WE ARE

TLC Supported Living Services of AZ, Inc. is dedicated toward nurturing each individual's growth potential. We believe the individuals we serve should lead a meaningful and dignified life in an integrated community.

Our services begins with the process of identifying the individual's aspirations. We build from their preferences and strengths. Working with the family, we help by

identifying an environment for living, working, education and recreation which will best achieve the individual's goals. Our service provision is individualized

to meet the needs of each person and is continually modified in light of the individual's changing needs and aspirations.

OUR MISSION

TLC Supported Living Services of AZ, Inc. is an organization whose mission is to offer a continuum of services directed toward the support, care, and empowerment of individuals with developmental or physical disabilities. TLC Supported Living Services of AZ, Inc. is committed to improving the quality of life for those individuals by alleviating barriers to their independence and striving to help them reach their full potential.

BELIEFS AND VALUES

- We believe the people we support are unique individuals having intrinsic worth and the right to live a life of dignity.
- We believe that it is our role to support and empower the individual whenever possible to make his or her own decisions.
- We believe individuals with disabilities have the right to live meaningful lives while fully participating in his or her own community.
